**\*\*BACKSIDE INFORMATION\*\***

PSPCS REGULAR MEETING OCTOBER 21, 1993

UNFINISHED BUSINESS: Gary Sivertsen asked for volunteers for the 1994 Show Committee. The following raised their hands: Gary Sivertsen..Dave Studebaker..Bill Kimber..Ray Kirlin..Darrel Womack..Ben Melton..Bob Kelly..Merle Carey..Tom Wake..Don Tempel..Gene Raddatz and Mike Comstock. Gary announced the first meeting would be in November at his home.

Discussion on our inter-club meeting followed. Bill Kimber announced he had worked up an ad, and it's cost, for the meeting if the club wanted to advertize the inter-club meeting to the general public. A motion was made that the club allocate \$125.00 for ads in Seattle and Tacoma papers on Friday and Saturday before the meeting. Motion was seconded. After a long discussion motion died for lack of sufficient votes. A motion was then made that Bill use his creativity..Ed Note: such as it is..to prepare information to send to Boeing and other camera clubs in the area. Motion was seconded and approved. Ed Note: information was sent.

Studebaker announced that next meeting would be December 16th and would be our annual Christmas exchange. Membership gave Shirley authority to spend whatever was necessary for the "Christmas feed". Ed Note: I don't think there is much truth in the rumor that Shirley has ordered pheasant under glass..but you never know!

SHOW & TELL, PROGRAM, AUCTION AND DOOR PRIZE:

The program to bring favorite Kodak resulted in only three members, Merle Carey, Bill Kimber and Dave Studebaker bringing an item to show. Ed Note: In the future it is hoped more members will take part in our meeting programs. It is fun and interesting to see what different members have in their collections.

There were some interesting show and tell items. Nine items were in the auction, one did not sell. Mike Langley won the Door Prize.

Meeting adjourned at 9:05 pm for trading/selling.
